

# **CAREER AWARENESS**

Starting in grade school, students are exposed to careers through classroom research, guest speakers, Take Your Child to Work Day, and other age-appropriate activities to learn about jobs and work.

The objective is to open minds to many possibilities, and help youth connect classroom learning with their future.

- Worksite Trips and Tours
- Take Your Child to Work Day
- Classroom Speakers
- Jr. Achievement
- School Adoptions (ongoing partnership)
