**Sumner School District recommends two ideas:**

- 1. When it comes to STAFF DEVELOPMENT, focus on ONE THEME annually for the district. Emphasize the same THEME with staff/students. e.g., pathways, job shadows, internships, etc.**
- 2. Sumner High School students use a HIRE ME CARD to introduce themselves to potential employers. Each student designs his/her own card to be printed with their NAME, G.P.A, QUALITIES OF EMPLOYABILITY, ETC.**
